

Redmine - Feature #12762

Add option to calculate done ratio with the data from time tracking

2013-01-08 10:26 - Anonymous

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:	Candidate for next major release		
Resolution:			
Description			
For example: if an issue has 20 hours assigned and 10 hours are done (via commit or time tracking for the ticket on the web interface) the done ratio should be automatically updated to 50% until a customizable value (for example 80%).

History

#1 - 2013-01-08 18:38 - Etienne Massip

- Target version set to Candidate for next major release

#2 - 2013-03-09 16:33 - Jan from Planio www.plan.io

For reference: [#13400](#) contains a patch that implements this

#3 - 2013-03-14 04:56 - Mischa The Evil

FTR, this issue is actually a duplicate of [#952](#). I'll keep it as it is since this one is already scheduled.
For an overview of more duplicates see [DoneRatio_issues_overview](#).
