Redmine - Defect #31551

Missing filter options and checklist templates

2019-06-11 11:11 - Chris Gissel

Status:	Closed	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Issues	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Invalid	**Affected version:**	3.3.5

Description

Since the beginning of june 2019 the options for filtering and choosing a prepared checklist template are no longer visible.
The source code shows, that the div for the options is still display:block, hover nothing is displayed.

Is this due to a recent update and the older version?

History

#1 - 2019-06-29 11:21 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Invalid

Please contact the author of the plugin. Redmine does not have a "checklist" feature.
