Redmine - Patch #3159

Mercurial (Hg) integration doesn't work if redmine is installed in folder path containing space

2009-04-11 16:19 - Afriza N. Arief

Status:	Closed	**Start date:**	2009-04-11

Target version:	0.8.4		

Description

Mercurial (Hg) integration doesn't work if redmine is installed in folder path containing space. The problem is because the template file path is not properly quoted. (e.g. "C:/Program Files/BitNami Redmine Stack/apps/redmine/lib/redmine/scm/adapters/mercurial/hg-template-1.0.tmpl")

affected branch: 0.8-stable
affected revision: svn r2670
affected file:
http://www.redmine.org/projects/redmine/repository/revisions/2670/entry/branches/0.8-stable/lib/redmine/scm/adapters/mercurial_adapter.rb
affected line: 108

Note: I am beginner in Ruby and redmine. The patch I attached will only quote the path and won't convert forward slash to backslash. Please adjust the patch as deemed necessary.
