Target version:			
Resolution:	Invalid	**Affected version:**	2.5.0

Description

In 2.5.0 there seems to be no way to add watcher to an already existing issues.

In 2.5.0 is it is possible to add watcher to a new issue with:

Watchers *Search for watchers to add*

This link seems to be missing for editing issues.

History

#1 - 2014-03-29 15:56 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Invalid

To add watchers to an existing issue, you have to use the "Add" link that you'll find in the sidebar, on the right of the watchers list. This behaviour was the same in 2.4.
