Redmine - Feature #2812

Permit arbitrary ordering of tracker issue statues

2009-02-23 17:27 - James Byrne

Status:	Closed	**Start date:**	2009-02-23

Target version:			
Resolution:			

Description

I would find it useful if Redmine permited administrators to set the order in which statuses appear on the workflow maintenance page and in the drop down menus. At present, statues appear in the order that they are added to the Redmine instance.

You should be able to sort statuses on the status list in the admin area.

#2 - 2009-02-23 20:22 - James Byrne

You are right. And, I am ashamed to say, I once before knew that.

#3 - 2009-02-23 20:27 - James Byrne

- Status changed from New to Resolved

#4 - 2009-03-07 17:09 - Jean-Philippe Lang

- Status changed from Resolved to Closed

Thanks.
