Firefox 3.6 doesn't show svg repository statistics

Status:	Closed	**Start date:**	2011-05-09

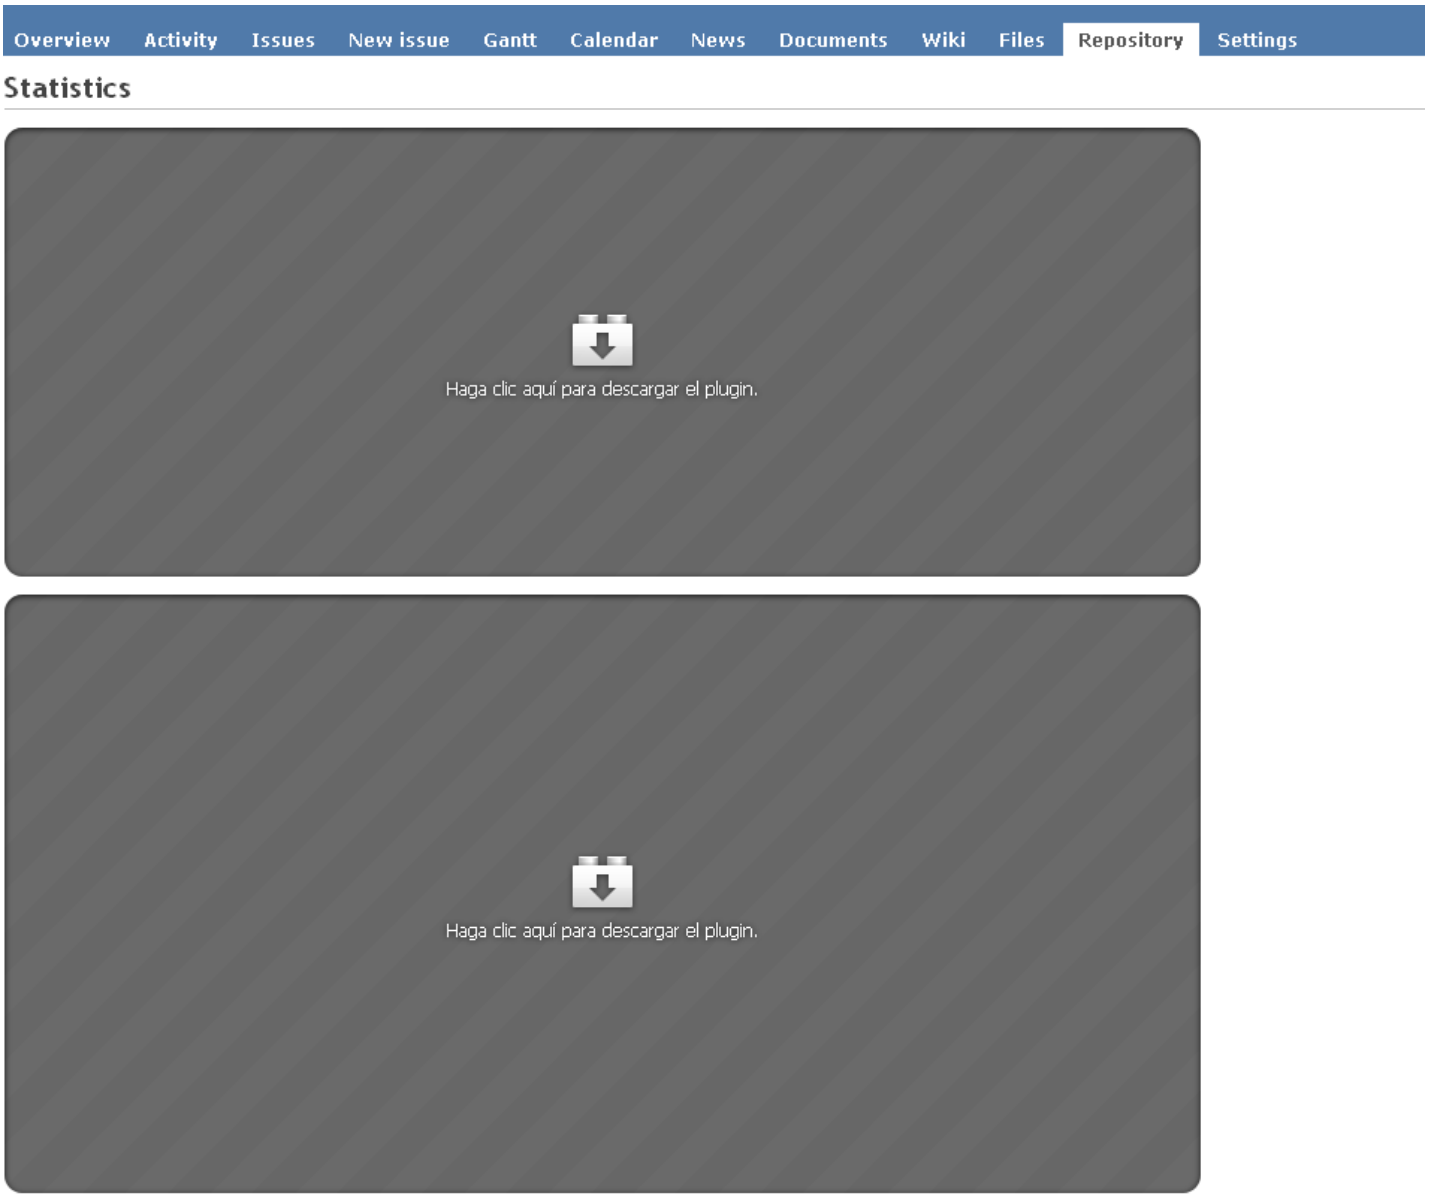
Category:	SCM	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Cant reproduce	**Affected version:**	1.1.1

Description

It will ask for a plug-in although it's supposed to be have SVG support built in.
Looking at the graph URL in the browser in a separated window/tab works flawlessly, must be a problem with the embed TAG or content type...

History

#1 - 2011-05-12 16:46 - Vlax Max



#2 - 2011-05-12 17:38 - Etienne Massip

- Category set to SCM

Works fine for me with Redmine site and FF 3.6.15.

#3 - 2014-11-03 06:45 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Cant reproduce

I can see the graph with Firefox 33.0.2 and Firefox 3.6 is too old.

I think this issue can be closed.
