

## Redmine - Defect #34068

### Missing blank option on persisted records

2020-10-05 14:38 - Pavel Rosický

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Custom fields	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	Candidate for next major release	<b>Affected version:</b>	
<b>Resolution:</b>			
<b>Description</b>			
steps to simulate 1/ add a new CF type key-value 2/ set a default value and check a required attribute			
current behavior on existing issues without a CF value, there's always the FIRST value prefilled automatically. It's easy to overlook there was any change.			
desired behavior in this case, there should be a blank value and a user should be prompt to select something.			
the behavior should be kept for new tasks only where the blank value on required fields makes no sense			
a patch attached			

#### History

##### #1 - 2020-10-17 06:56 - Go MAEDA

- Target version set to Candidate for next major release
