Description

there appears to be no way to make an existing issue a subtask of another issue

- File Screenshot.png added

It is possible to move make an existing issue a subtask of another issue.
you have to "Change properties(More)" to do it.(as same as #5732)
But I think it difficult for users to find this way.
So the UI should be changed.

#2 - 2010-06-22 22:32 - Yuki Kita

- Status changed from New to Resolved

#3 - 2010-06-23 00:23 - Felix Schäfer

- Status changed from Resolved to Closed

- Resolution set to Invalid
