

Redmine - Feature #35934

Show 2FA status in users list from administration with option to filter

2021-09-30 07:50 - Maciej Lizewski

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Marius BĂLTEANU	% Done:	0%
Category:	Administration	Estimated time:	0.00 hour
Target version:	5.0.0		
Resolution:	Fixed		
Description			
To control how many users enabled 2fa it is required to report it somehow. This could be just "2fa status" in users grid and filter/sort possibility.

- File twofa-scheme-in-users-csv.png added

As an immediate workaround, you can get the information by exporting users as CSV ([#34241](#)).

Login	First name	Last name	Email	Administrator	Status	Two-factor authentication scheme	Created

- File 2fa.png added

The following implementation is enough?

2fa.png

#7 - 2022-01-22 09:56 - Marius BĂLTEANU

- Subject changed from Report showing users and their 2fa status to Show 2FA status in users list from administration with option to filter

- Status changed from New to Closed

- Target version changed from Candidate for next major release to 5.0.0

- Resolution set to Fixed

Feature added in [r21380](#):

- you can filter the users by their 2FA status
- the column was added to the list.

#8 - 2022-01-22 09:56 - Marius BĂLTEANU

- Category changed from Accounts / authentication to Administration
