

Redmine - Defect #101

New Issue Drop Down only display for Project Administrator

2007-08-29 15:23 - Brian DeGregorio

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>			
<b>Description</b>			
The Add New Issue drop down is only available for redMine Administrators it should probably be keying off the Add Issue permission.			
Using SVN Rev 676

Hi,

Rev 674 made big changes to permissions management. Permissions are reseted when applying this upgrade. Could you check in "Admin -> Roles & Permissions" that your roles have the permission to add issues ?

#2 - 2007-08-29 16:36 - Brian DeGregorio

Manager has all permissions checked. Support and Developer have all permissions except "Manage Members" and "Manage Boards"

#3 - 2007-08-29 17:53 - Jean-Philippe Lang

Oh, I found the bug...  
Fix committed in rev 681.

Thanks
