

Redmine - Defect #10152

Attachment diff type is not saved in user preference

2012-02-04 07:02 - Toshi MARUYAMA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Toshi MARUYAMA	% Done:	0%
Category:	Attachments	Estimated time:	0.00 hour
Target version:	1.3.1	Affected version:	1.3.0
Resolution:	Fixed		
Description			
<p>#9612 provides the feature of "side by side" and "inline" patch view for attachments. Repository diff view saves user preference if user is log-ins. But, attachment view does not save.</p>
