<b>Target version:</b>	2.3.0		
<b>Resolution:</b>	Fixed		
<b>Description</b>			
When we need to add some filter conditions for browse the Spent time's details and report , but suffer without this feature, resulting in that we had to search every page. This operation is very troublesome.			
So please Add Filters For Spent time's Details and Report

Please don't assign issues.

**#2 - 2012-06-07 13:17 - Adrien Crivelli**

We added a custom field to spent time to know if it's been billed or not. Filtering spent time by that custom field would be really neat when billing to change from "not billed" to "bill sent".

Is there any work about that available somewhere ? any starting point for me to continue ?

**#3 - 2012-10-03 14:57 - Fabricio Ferreira de Mendonça**

+1. This really would be a very good option.

**#4 - 2012-10-18 23:27 - Jean-Philippe Lang**

- Target version set to 2.3.0

**#6 - 2012-10-28 06:47 - Paul Mureev**

It will be essential to add option to add custom attributes to the report columns, similar to issues.

Sorry - last sentence is addressed by [#1766](#)

**#7 - 2012-10-28 17:59 - Daniel Felix**

+1 from me!

Hi there,

where can I find the newly introduced translation key in [r10971](#)?

I can't find it in the current trunk. Maybe this key isn't needed anymore? Please help me to find it. :-)  
I would like to translate it.

Best regards,  
Daniel

Hi Toshi,

I doesn't mean where I can find the translation file itself, this is pretty clear. I meanted, where could I find this translated term in the UI? I searched for it in the german interface, but couldn't find this untranslated item.

**#12 - 2012-12-14 15:13 - Toshi MARUYAMA**

- File *time\_entries.png* added

# Aufgewendete Zeit

## #13 - 2012-12-14 15:29 - Daniel Felix

Thanks Toshi.

This seems to be a custom field translation.  
I would translate this like the other custom translation in german.

label\_attribute\_of\_user: %{name} des Benutzers

Best regards,  
Daniel

label\_attribute\_of\_user: %{name} des Benutzers

Committed in trunk [r10998](#), thanks.

## #15 - 2013-01-06 11:12 - Daniel Felix

This one seems to work pretty well in the current trunk [r11108](#).  
Thanks for this! This is quite useful for larger projects! :-)

## #16 - 2013-02-24 11:07 - Jean-Philippe Lang

- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang
- Resolution set to Fixed

## #17 - 2013-09-21 22:33 - Mischa The Evil

- Related to Feature #4706: Project member filter on timelog details added
