

## Redmine - Feature #1032

### Add css class for user comments

2008-04-10 11:04 - Michael Pirogov

<b>Target version:</b>	0.7		
<b>Resolution:</b>	Fixed		
<b>Description</b>			
Add different css class (div?) for user comments instead of just wiki class, so it can be tuned via custom stylesheet. For better emphasis against automatically inserted messages.			
It's possible or it's rubbishy? :)			

#### Associated revisions

##### Revision 1349 - 2008-04-13 15:24 - Jean-Philippe Lang

Add css class for ticket changes (#1032).

#### History

##### #1 - 2008-04-10 19:53 - Carl Nygard

- File *redmine-history.patch* added

Here's a diff for doing just that. It's based on 0.6.4. Here's some CSS to color it grey:

```
.journal { background-color: #f2f2f2; padding-bottom: 1px; }  
.journal h4 { background-color: #e0e0e0; }
```

##### #2 - 2008-04-13 15:29 - Jean-Philippe Lang

- Target version changed from 0.8 to 0.7

- Resolution set to Fixed

Committed in [r1349](#). The div was already here in the the latest code. I added the journal class to it.

##### #3 - 2008-04-13 15:29 - Jean-Philippe Lang

- Status changed from New to Closed
