

Redmine - Defect #10349

assignee incorrectly set on duplicate of issue

2012-03-01 16:03 - Gerry Hawkins

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	1.3.0
Resolution:	Invalid		

Description

via right click, duplicate a ticket
change some fields (subject, status, assignee, target and a couple of others)
I did not change the project or tracker
specifically for the assignee I emptied the setting so that it was not assigned to anyone.
click create

The new issue has all the settings correct expect the assignee. It was not empty it was the second last person in the list. That person was never assigned to the original issue.

History

#1 - 2012-03-01 17:18 - Gerry Hawkins

- Status changed from New to Resolved

Actually this is user error. The assignment was handled due to category defaults. My mistake.

#2 - 2012-03-01 17:35 - Jean-Philippe Lang

- Status changed from Resolved to Closed

- Resolution set to Invalid
