Target version:		Affected version:	
Resolution:	Wont fix		
Description			
It can be useful to have a color priority representation for issues (like issues view) on the roadmap view.			

History

#1 - 2012-03-06 17:15 - Etienne Massip

- Status changed from New to Closed
- Resolution set to Wont fix

This is allowed by using a theme since the CSS style classes include a priority-specific class.

I think that one of the Theme bundled with Redmine makes use of this feature.

OK, i'll search who to do this soon.

thanks.
