- Resolution set to Cant reproduce

Line app/models/issue.rb:838 in 1.3.2 can't raise this error. This is a comment line:
<source:/tags/1.3.2/app/models/issue.rb#L838>

And I don't see any > comparaisn in #recalculate_attributes_for. Any local changes?

Yes but not in issue.rb and I think it's nothing connected to issue. However I'll dig deeper if I'll need to fix it, feel free to close this issue until I find out.

OK, thanks for the feedback.
