

Redmine - Patch #11499

Fixed attachments handling when receiving a new issue by mail

2012-07-24 14:42 - Alex Shulgin

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Email receiving	Estimated time: 0.00 hour
Target version:	
Description When a new issue is received by email, any attachments it might be carrying are not making it into the "new issue reported" mail. In attempt to fix this problem, this patch issues a separate mail update for any issue created by mail with attachments, which lists the usual "File added: ..." lines.
