

Redmine - Defect #11723

redmine:send_reminders notification misses if assignee is a group

2012-08-28 10:08 - Carlos Peñas

Status:	Closed	Start date:	
Priority:	Low	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:	2.1.0	Affected version:	2.0.3
Resolution:	Fixed		
Description			
<p>Rake task "redmine:send_reminders" only send notifications for tickets assigned to users, if the ticket is assigned to a group, users in that group don't get notified. It's discussable but IMHO is a must for teamwork.</p> <p>In addition there's no way to especificy a group_id in the rake task.</p>			

Associated revisions

Revision 10335 - 2012-09-09 13:02 - Jean-Philippe Lang

Fixed that the reminder email excludes issues assigned to groups (#11723).
