

Redmine - Defect #11792

Commit comment doesn't close the issue until I visit the repository

2012-09-07 11:59 - Dmitry Pashkevich

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	SCM	Estimated time:	0.00 hour
Target version:		Affected version:	2.0.3
Resolution:	Invalid		
Description			
I have 3 svn repositories linked to my project and the issues aren't closed by commit comments until I navigate to the repository in Redmine. This is very annoying...			
Environment:			
Redmine version	2.0.3.stable.9893		
Ruby version	1.8.7 (i686-linux)		
Rails version	3.2.6		
Environment	production		
Database adapter	MySQL		
Redmine plugins:			
due_date_reminder	0.3.1		
redmine_wiki_extensions	0.5.0		
SVN version 1.6.6			

History

#1 - 2012-09-07 14:14 - Etienne Massip

- Status changed from New to Closed

- Resolution set to Invalid

That's because you're sticking with the default "fetch commits on repository browsing" behavior, you have to switch to some scheduled task or scm-enabled post-commit hook method, see [RedmineRepositories#Attaching-an-existing-repository-to-a-project](#).
