### History

#### #1 - 2012-09-16 03:31 - Toshi MARUYAMA

- Subject changed from trouble with GANT to trouble with gantt

#### #2 - 2013-01-16 10:06 - Daniel Felix

I checked this in 2.2.1.  
Currently tasks without a due date won't have any bar.

But there are some patches, which maybe also correct this one. [#12730](#)

Please take a look at them. :-)
