

## Redmine - Feature #12258

### LDAP should be able to fill custom fields

2012-10-30 11:33 - Daniel Felix

|  |                                  |
|--|----------------------------------|
| <b>Status:</b> New   | <b>Start date:</b>               |
| <b>Priority:</b> Normal  | <b>Due date:</b>                 |
| <b>Assignee:</b>   | <b>% Done:</b> 0%                |

| <b>Target version:</b>   |                                  |
| <b>Resolution:</b>   |                                  |
| <b>Description</b><br>Hi there,<br><br>I encountered a little feature request.<br><br>For example if I define some custom fields for my users, it would be great to assign them with the ldap-plugin.<br><br>Those custom fields could be filled with additional ldap informations. For example: Manager, Telephone-Number etc.<br><br>Best regards,<br>Daniel |                                  |

#### History

**#1 - 2015-04-18 16:19 - Anonymous**

This would be very useful.

**#2 - 2015-05-18 06:46 - Toshi MARUYAMA**

- Category set to LDAP

**#3 - 2016-11-03 08:29 - Dmitry Shumilin**

I need it too. Thanks.

**#4 - 2019-03-19 08:42 - Oliver Maye**

Still, this feature is interesting for quite some people, including me. Is there any chance to have it appear in the roadmap...? Obviously, this issue is related to [#1697](#).
