<b>Description</b> It would be cool to add "Comments" checkbox to spent time report to show not only spent time grouped by days/weeks/member/project/etc., but also time log comments as leafs of the spent time tree.  I.e. I want to open spent time report on Monday, choose last week/member/activity/issue and to see not only spent time for each issue, but also spent time comments by the issues.	
<b>Related issues:</b> Is duplicate of Redmine - Feature #10191: Add Filters For Spent time's Detail... <b>Closed</b>
