

Redmine - Patch #12541

Add icon class to items in issues contextual menu when appropriate

2012-12-08 01:02 - fer sjs

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Code cleanup/refactoring	Estimated time: 0.00 hour
Target version:	
Description For theming purpose is very important that the items on the contextual menu that include an icon have the generic icon class and not just only their particular class, icon-edit, icon-delete... The affected template that lacks that icon class is app/views/context_menus/issues.html.erb
