<b>Target version:</b>	0.7.2	<b>Affected version:</b>	
<b>Resolution:</b>	Fixed		
<b>Description</b>			
Redmine revision 1438.			
When I go to project repository -> Revision #xxx, I see changed/added/deleted file list. If file is changed, there are "View differences" link in the right. I click on the link and got an error. Annalise redmine logfile I find that error message:			
<pre>Fragment read: repositories/diff/41/e78d09cdd7ef569bf289310035e7eeb6 (0.00043) Shelling out: svn diff -r 617:618 'http://svn.elgama.lt/svn/saugykla/software/sharaga/software/sharaga/trunk/src/RemSkaitikliai/RemSkSiuntos.Designer.cs'@618 --username 'xxx' --password 'xxx'</pre>			
But repository URL must be:			
<pre>http://svn.elgama.lt/svn/saugykla/software/sharaga/trunk/src/RemSkaitikliai/RemSkSiuntos.Designer.cs</pre>			
without duplicated <b>software/sharaga/</b> in a URL.			
Something wrong in URL generation algorithm			
But if I click on "View differences" to view differences all of files, then all OK, Differences displayed correctly.			
Thanks.

Related to Redmine - Defect #1275: View differences for individual file of a ...		<b>Closed</b>	<b>2008-05-21</b>

#### Associated revisions

##### Revision 1446 - 2008-05-24 19:58 - Jean-Philippe Lang

Fixed: View differences for individual file of a changeset fails if the subversion repository URL doesn't point to the repository root (#1209, #1262, #1275).

#### History

##### #1 - 2008-05-21 18:43 - Sergej Jegorov

I found that error occurs if Redmine project Identifier and subversion repository URL contains the same word.  
i.e.: We have Redmine project Identifier **sharaga** and repository URL in this project: "http://svn.elgama.lt/svn/saugykla/software/sharaga".

If I create a new project with another Identifier ("aaa") with the same as above svn URL, then "View differences" works fine.

##### #2 - 2008-05-21 18:47 - Sergej Jegorov

The same problem in [#1275](#)

##### #3 - 2008-05-24 19:57 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 0.7.2

- Resolution set to Fixed

Fixed in [r1446](#).
