

Redmine - Feature #12784

preallocate target-version-field

2013-01-09 10:08 - Felix Muster

Description Is it possible to implement this feature in the next redmine-version? When the field target-version has only one value, then it should be preallocated with this value, so that you haven't to touch this field... Thanks. Felix			
Related issues: Is duplicate of Redmine - Feature #1828: Default target version for new issues <div>Closed2008-08-28</div>
