

Redmine - Defect #12945

watcher can't see this issue from My Page-Watched issues

2013-01-22 12:42 - Tolga Yaman

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	My page	Estimated time:	0.00 hour
Target version:		Affected version:	2.1.3
Resolution:	Duplicate		
Description			
I have added a non-member user as a watcher to an issue. User is not member of project. User cannot see this issue from My page Watched issues PS. My page Watched issues is working for issues that user click to star to watch an issue manually. Bu ofcourse he must be member of project

History

#1 - 2013-01-22 14:03 - Matthias Petri

Similiar Problem: Some body open a issue (for example reception for some other user) and put the user as a watcher, the watcher will only see the email if he has a default role. At a new role i have only the possiblity to chooce "issues created by or assigned tu the user" but watching is missing

#2 - 2013-01-22 21:21 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Duplicate
