

Redmine - Feature #13029

add/remove watchers for Issues

2013-01-29 23:25 - Alex Last

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: REST API	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description there's a request for Redmine Java API submitted a while ago: https://github.com/taskadapter/redmine-java-api/issues/1 - update Issue Watchers. I can't add that functionality to the Java library because Redmine's REST API does not support this.	
Related issues: Is duplicate of Redmine - Feature #6727: Add/remove issue watchers via REST API Closed 2010-10-22	

History

#1 - 2013-01-31 23:39 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Duplicate

The feature was added to trunk in [r11290](#), see [#6727](#).
