Revision 11526 - 2013-03-03 09:57 - Jean-Philippe Lang

Mail handler: adds --no-notification option to disable notifications to the created user (#13341).

Revision 11590 - 2013-03-11 18:50 - Jean-Philippe Lang

Mail handler: set mail_notification to only_my_events when creating a new user (#13341).

Revision 11591 - 2013-03-11 19:00 - Jean-Philippe Lang

Merged r11526 and r11590 from trunk (#13341).

History

#1 - 2013-03-06 01:02 - Daniel Black

should this be expanded to offer all options available in the user's email notifications settings?

#2 - 2013-03-11 19:00 - Jean-Philippe Lang

- Status changed from Resolved to Closed

It can be usefull to disable email notifications when we don't want the user to receive any emails but being able to choose between all the options is not so usefull IMO. I've the set the default to "only_my_events" in r11590.
