

## Redmine - Feature #1373

### Activity option to monitor Issues updates

2008-06-04 15:06 - Paul Rivier

<b>Status:</b> Closed	<b>Start date:</b> 2008-06-04
<b>Priority:</b> High	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b> Feeds	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b>	
<b>Description</b> In its current form, Activity does not offer to monitor replies to issues, or issues updates. It would be a good option to provide, along with wiki pages, files, changesets etc.	

#### History

##### #1 - 2008-06-21 14:28 - Jean-Philippe Lang

Issue notes in the activity view added in [r1567](#).

Maybe we could add a specific checkbox (eg. issues details) to switch them on/off on the activity view ?

##### #2 - 2008-06-21 17:24 - Paul Rivier

"Issue details" checkbox would be very welcome, indeed. Thank you Jean-Philippe.

##### #3 - 2009-10-05 00:11 - Lluís Vilanova

Just to make clear why is this open with high priority: either the aforementioned checkbox is pending implementation or this issue should be marked as closed.

In the first case, separating issue creation/closing from the rest of status updates might be useful (e.g. high level tracking of new requests, plus closed request could trigger changes in other issues that were pending on a recently closed one); but I'm still not sure if issue activity tracking should have 2 or 3 checkboxes:

- Issues (New + Closed ?)
- Issue updates (could be merged into previous or next checkbox)
- Issue details (simply holds comment changes)

Thanks.

##### #4 - 2009-10-05 07:18 - Paul Rivier

- *Status changed from New to Resolved*

I'm fine with current implementation, thank you Jean-Philippe.  
Lluís, please feel free to reopen if you want.

##### #5 - 2013-01-15 22:38 - Jan Niggemann (redmine.org team member)

- *Status changed from Resolved to Closed*

Closing this, status is resolved since 400 days and more (issue was last updated more than 400 days ago)...
