<b>Description</b> I have exactly the same need than Bruno Spyckerelle (see feature <a href="#">#824#note-11</a> ):  "It would be very useful to be able to change the closed_on date as we can change the start and due dates (for example if someone forgot to close the issue and we want to record the real closed_on date)."	
<b>Related issues:</b> Is duplicate of Redmine - Feature #8002: Close issue at a precise date <b>New</b> <b>2011-03-26</b>
