#### Description

I configured a new Issue Custom Field (with Date format) and I need to filter issues by this field where its value is overdue (less than today). I applied the filter type "more than days ago" with value "1 days" to this field and the query returned the overdue issues and issues with NULL value. I need only the first one, without the null values.

Applying the same filter to a native date field (like due date) the result is exactly the expected (only the overdue issues were listed, without null values).

#### Associated revisions

##### Revision 11850 - 2013-05-16 18:29 - Jean-Philippe Lang

Fixed that filtering may return unwanted blank values (#14051).

##### Revision 11872 - 2013-05-18 21:35 - Jean-Philippe Lang

Merged r11850 from trunk (#14051).

#### History

##### #1 - 2013-05-15 10:00 - Toshi MARUYAMA

- Category changed from *Projects* to *Custom fields*

##### #2 - 2013-05-16 18:30 - Jean-Philippe Lang

- Status changed from *New* to *Resolved*

- Assignee set to *Jean-Philippe Lang*

- Target version set to *2.3.2*

- Resolution set to *Fixed*

Fixed in [r11850](#), thanks for pointing this out.

##### #3 - 2013-05-18 21:35 - Jean-Philippe Lang

- Status changed from *Resolved* to *Closed*

Merged.
