## Associated revisions

### Revision 12073 - 2013-08-03 12:46 - Toshi MARUYAMA

remove ineffective "logger.info" and "logger.error" check from MailHandler model (#14598)

## History

### #1 - 2013-08-01 15:34 - Jérôme BATAILLE

patch made against Redmine V1.2.1

if logger.info --> if logger.info?

### #2 - 2013-08-03 12:38 - Toshi MARUYAMA

"logger.info" is always true.

```
$ RAILS_ENV=test ruby script/rails console
Loading test environment (Rails 3.2.13)
1.9.3p429 :001 > logger = Logger.new(STDOUT)
 => #<Logger:0x000000055b5b80 ...
1.9.3p429 :002 > logger.level = Logger::ERROR
 => 3
1.9.3p429 :003 > logger.info
 => true
1.9.3p429 :004 > logger.info?
 => false
1.9.3p429 :005 > logger.info "test"
 => true
1.9.3p429 :006 > logger.level = Logger::INFO
 => 1
1.9.3p429 :007 > logger.info?
 => true
1.9.3p429 :008 > logger.info
nil
 => true
1.9.3p429 :009 > logger.info "test"
test
 => true
```

### #3 - 2013-08-03 14:10 - Toshi MARUYAMA

*- Status changed from New to Closed*

Committed in trunk r12073.

### #4 - 2013-11-04 22:52 - Jérôme BATAILLE

Any idea of the version in which the revision will be included ?

**#5 - 2013-11-12 10:11 - Jérôme BATAILLE**

*- Status changed from Closed to Reopened*

**#6 - 2013-11-12 10:13 - Jérôme BATAILLE**

I'm sorry to reopen this issue, but because it was closed without a target version, I think it was fallen in the limbo :-)

**#7 - 2013-11-12 11:12 - Toshi MARUYAMA**

*- Status changed from Reopened to Closed*

*- Target version set to 2.4.0*

*- Resolution set to Fixed*

It is in [2.4.0](#).

**#8 - 2013-11-12 11:12 - Jérôme BATAILLE**

Thanks a lot !

**#9 - 2016-01-16 03:47 - Go MAEDA**

*- Related to Patch #9102: Dry up MailHandler logging added*
