Target version:				
Resolution:	Invalid			

Description

in app/models/query.rb

It would be usefull to add these operators :
"!*", "*"

```
@@operators_by_filter_type = { :list => [ "=", "!", "!*", "*" ]
```

History

#1 - 2014-05-14 15:06 - Jérôme BATAILLE

In fact they are included in list_optional filter type !

Hi, you can indicate in the Resolution that's it's **Invalid**, if you have the time to, thanks a lot.

#5 - 2017-03-31 14:38 - Toshi MARUYAMA

- Resolution set to Invalid

Done.

#6 - 2017-03-31 14:39 - Jérôme BATAILLE

Thanks !
