Redmine - Defect #14825

News: email notification to users

2013-09-03 10:14 - Hervé CHALONS

Status:	Closed	Start date:		
Priority:	Normal	Due date:		
Assignee:		% Done:	0%	
Category:	Email notifications	Estimated time:	0.00 hour	
Target version:				
Resolution:	Duplicate	Affected version:	2.2.3	
Description				
Hi,				
For my projects, I	would like:			
	vs" to all users if they take part in a pro			
	ceive notifications about Issues update all users to receive notifications where		d to that Issue.	
Is that possible in	v2.2.3 ?			
It worked in a pre-	vious version (I can't rememeber whic	h but it is more than 2 years old)		
For the moment,	with the following settings, users receiv			pdates even if they are

History

#1 - 2013-09-03 10:17 - Hervé CHALONS

Correction:

For my projects, I would like:

- to send "News" to all users if they take part in a project,
- that users receive notifications about Issues updates if and only if they are **assigned or watchers to an Issue**. I do not want all users to receive notifications when any Issue is updated.

#2 - 2013-09-16 10:30 - Toshi MARUYAMA

- Related to Defect #10656: Email notifications not working as expected? added

#3 - 2017-01-14 02:57 - Go MAEDA

- Is duplicate of Defect #4700: Adding news does not send notification to all project members added

#4 - 2017-01-14 02:57 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Duplicate

Fixed by <u>**#4700**</u>.

Redmine 2.3.0 and later always notify project members about news.

#5 - 2017-02-11 05:28 - Toshi MARUYAMA

- Subject changed from email notification to users to News: email notification to users
