

Redmine - Defect #15055

branches not properly displayed in IE8

2013-10-07 16:39 - Elvys Melo Duarte Almeida

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	SCM	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Wont fix		
<b>Description</b> IE8 doesn't show well GIT-Repository-Branches.  S. Picture below (Left IE8, Right Chrome)  Clipboard01.jpg With other Browser (tested with Firefox 24.0 and Chrome 30.0) there was no problem in the view.			

History

- #1 - 2013-10-07 19:10 - Jan Niggemann (redmine.org team member)
- Subject changed from Redmine zeigt in IE8 nicht die vollständigen Branch-Views to branches not properly displayed in IE8
- #2 - 2013-10-07 19:10 - Jan Niggemann (redmine.org team member)
- Tracker changed from Patch to Defect
- #3 - 2013-12-11 03:26 - Jan from Planio www.plan.io
- IE8 is almost 4 years old and has been superseded by three more recent iterations of IE. Is there a general consensus on which browsers (versions) to support and where a line is drawn?
- #4 - 2014-06-26 13:51 - Elvys Melo Duarte Almeida
- Status changed from New to Resolved
- Changing the IE version from 8 to 11 resolved the problem.
- #5 - 2016-01-13 14:38 - Go MAEDA
- Status changed from Resolved to Closed
- Resolution set to Wont fix
- Microsoft ended support for Internet Explorer 8 on 2016-01-12.
