

Redmine - Defect #15105

Redmine::Helpers::Diff missing require

2013-10-10 22:26 - Felix Bünemann

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description			
The lib/redmine/helpers/diff.rb is missing a require 'diff' to load lib/diff.rb so it fails to call diff on an array in initialize:			
<pre>>> Redmine::Helpers::Diff.new("foo", "bar") NoMethodError: undefined method `diff' for ["foo", "bar"]:Array</pre>			
This can be reproduced by changing the description of an issue and then clicking on the diff link.			

Associated revisions

Revision 12205 - 2013-10-11 19:37 - Toshi MARUYAMA

add unit test of Redmine::Helpers::Diff (#15105)

Revision 12206 - 2013-10-11 19:37 - Toshi MARUYAMA

add missing "require 'diff'" to Redmine::Helpers::Diff (#15105)

Contributed by Felix Bünemann.

Revision 12207 - 2013-10-11 19:37 - Toshi MARUYAMA

remove unneeded "require 'diff'" from WikiController (#15105)

I cannot reproduce on clean Redmine.

"lib" is autoload.

[source:trunk/config/application.rb@12204#L19](#)

But it is a Monkey-Patch to the Array class, so how does autoloading help? We're not using the RedmineDiff::Diff class directly, so there is no trigger for autoloading. Besides that the file lib/diff.rb doesn't even follow conventions for autoloading in rails, because it defines multiple modules that don't match the file name.

It probably can't be reproduced, if for some reason the require 'diff' has already happened by another controller:

```
app/controllers/wiki_controller.rb:18:require 'diff'
app/models/wiki_page.rb:18:require 'diff'
```

For a simpler way to reproduce just use the rails console:

```
>> Redmine::Helpers::Diff.new("foo", "bar")
NoMethodError: undefined method `diff' for ["bar"]:Array
from lib/redmine/helpers/diff.rb:33:in `initialize'
```

#4 - 2013-10-12 12:32 - Toshi MARUYAMA

- *Status changed from Needs feedback to Closed*

Committed in trunk [r12206](#), thanks.

#5 - 2013-10-12 12:32 - Toshi MARUYAMA

- *Resolution set to Fixed*
