Target version:		Affected version:	
Resolution:	Duplicate		
Description			
Hello all,			
We have a project in our company which contains 3500 users. When we need open a new issue in this project the watchers list is interminable.			
We have tried next plugins			
redmine-watchers-textinput			
Is a very good plugin but due to giant list we would need can search by email not by name and surname			
Boards/Wiki/Issues watchers management			
Another useful plugin but is not valid for us because it shows all the watchers list and our first target is hide this list			
Please does anybody the same problem? does anybody any solution/workaround to hide this list but still permit add watchers?			
We have 2.2.4 version and also we are testing 2.4.1			
Please help me, this list continues growing

Is duplicate of Redmine - Feature #8562: Watchers list too big in new issue form		Closed	2011-06-08

History

#1 - 2013-11-29 10:20 - Gurvan Le Dromaguet

I have 200+ users and the same problem.

Not clean but I just deleted the following block at the end of `app/views/issues/new.html.erb` :

```
<% if @issue.safe_attribute? 'watcher_user_ids' -%>
  <p id="watchers_form"><label><%= l(:label_issue_watchers) %></label>
  <span id="watchers_inputs">
    <%= watchers_checkboxes(@issue, @available_watchers) %>
  </span>
  <span class="search_for_watchers">
    <%= link_to l(:label_search_for_watchers),
      {:controller => 'watchers', :action => 'new', :project_id => @issue.project},
      :remote => true,
      :method => 'get' %>
  </span>
</p>
<% end %>
```

- Category set to Issues

#3 - 2013-12-05 09:12 - Toshi MARUYAMA

- Subject changed from Watchers list on New issue to Watchers list on new issue is interminable

#4 - 2013-12-10 10:50 - Miguel Celemin

Thanks for your answer Gurvan but deleting this code is not possible add watchers

#5 - 2016-03-24 01:50 - Go MAEDA

- *Status changed from New to Closed*

- *Resolution set to Duplicate*

Fixed by [#8562](#) (Redmine 2.5.0).

#6 - 2016-03-24 01:51 - Go MAEDA

- *Is duplicate of Feature #8562: Watchers list too big in new issue form added*
