Redmine - Defect #15871

The parent task associated errors

2014-01-15 02:46 - joe chen

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:	No feedback		**Affected version:**	2.3.3

Description

Like the picture shown.
I set the parent task 20870.
But why is associated to another 21708.
What is the problem caused by?
How to solve this problem?
How to avoid this problem again?
Hope to receive your reply as soon as possible.
Thank you!

History

#1 - 2014-01-15 22:23 - Jan Niggemann (redmine.org team member)

- Status changed from New to Needs feedback

Please give more details according to **SubmittingBugs**.
I dont understand what you want to show with your screenshot, there's some kinjd of windows application in front...
