Assignee: % Done: 0%

Category: Permissions and roles Estimated time: 0.00 hour

Target version:

Resolution:

### Description

I created a customer role without time tracking permissions. I was hoping this would also disable viewing of start date, due date, estimated time and % done fields when creating or viewing issues under that role.

Is it possible to achieve this?

If my customers are creating, editing and viewing issues they have created these fields should be dictated by the role permissions.

**Environment:** 

Redmine version 2.4.2.stable

Ruby version 1.9.3-p484 (2013-11-22) [x86\_64-linux]

Rails version 3.2.16
Environment production
Database adapter Mysql2

SCM:

Subversion 1.8.4 Git 1.8.3

Filesystem Redmine plugins:

redmine\_mylyn\_connector 2.8.2.stable
