

Redmine - Defect #16623

Incorrect task status on activity page

2014-04-10 19:36 - Gennady Grechin

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Activity view	Estimated time:	0.00 hour
Target version:		Affected version:	2.5.1
Resolution:	Duplicate		
Description I create new task. If I open activity page I'll see corresponding record with status "New" (I'll name this record as "1" below) Ok, I change status of the task to "Opened". If I open activity page I'll see corresponding record with status "Opened" (record "2"). But record "1" has also status "Opened". Next changing status of task to "Resolved" will add new record to activity page with status "Resolved". Also, record "2" remain "Opened", but record "1" will be "Resolved". It seems the first record (of task creation) refers to the same variable with last status. P.S. Icons of the records are correct.			

History

#1 - 2014-04-11 04:48 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Duplicate

Duplicate with [#7293](#).
