

Redmine - Defect #16747

Remove useless settings when editing a query from the gantt

2014-04-24 14:23 - Toshi MARUYAMA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Gantt	Estimated time:	0.00 hour
Target version:	2.5.2	Affected version:	
Resolution:	Fixed		
Description			
On 2.5.1 , gantt sorting is only date. It is confusing that user can change gantt sorting.			
Custom query edit form show gantt options in only gantt custom query edit form, (hide gantt options in issue list custom query edit form) so sort option should be hidden in gantt custom query edit form
