Hi,

I have created some issues in redmine. For one issue the user is not able to see the %done field. Can any one suggest a solution.

Hi ,I have tried this but still it is not showing. But the problem is for only one issue.

Because your issue is **parent**.

Thanks toshi for your reply. But It's a child issue

But is there any way to resolve it. Also I'm not able to update the start date and due date. Both are disabled for me.
