Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Issues	**Estimated time:**	0.00 hour
Target version:			
Resolution:	No feedback	**Affected version:**	

Description

Created an issue, later on decided to set category for it. Clicked edit. Expected to see Category option to change value, which wasn't there

Did you check if your allowed to change the category?

Maybe take a look into your logs or into your administrative section under the point workflows.

#2 - 2014-08-22 04:29 - Toshi MARUYAMA

- Category set to Issues

#3 - 2014-08-22 04:29 - Toshi MARUYAMA
