

## Redmine - Feature #1771

### Showing non-classified issues on roadmap

<b>Description</b> It would be nice, if roadmap page could show the issues not yet assigned to any version (likely as the last pseudo-version). This way roadmap would give better picture of the project future...	
<b>Related issues:</b> Is duplicate of Redmine - Feature #1869: "Unscheduled" version on roadmap <b>Closed</b> <b>2008-09-08</b>

+1

Indeed. What I currently do is

- i have a version called "Future", that fortunately appears last (thx to letters appearing after numbers)
- i often check that all tickets have an 'expected version' defined.
