Resolution:	Fixed		

Description

I think it would be good if sort by Name users in filters for "Assign To" and context menu "Assign To"
below some changes which I made for this

- Issues controller **************

@assignables = @issue.assignable_users.sort

changed to

@assignables = @issue.assignable_users.sort {|a,b| a.name <=> b.name}

- Query.rb **************

user_values += project.users.sort.collect{|s| [s.name, s.id.to_s] }

changed to

user_values += project.users.sort {|a,b| a.name <=> b.name}.collect{|s| [s.name, s.id.to_s] }
