Redmine - Feature #18969

Get available statuses through API

2015-01-28 15:40 - Denis Konstantinov

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	REST API		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid			

Description

Currently it is impossible to get available statuses through API. It would be very usefull to get statuses by tracker id. Something like: projects/:project_name/issues/new.json

Or /issues_statuses.json?tracker_id=1

History

#1 - 2015-02-24 15:50 - Lucile Quirion

- Status changed from New to Closed

- Priority changed from High to Normal

- Resolution set to Invalid

Hello,

Trackers and Issue_statuses are unrelated.
Therefore the request doesn't make sense.

See my response on the forum Get available statuses by tracker through API
