Redmine - Patch #2005

Dutch translation (nl.yml)

2008-10-08 02:44 - Sander Datema

Status:	Closed		**Start date:**	2008-10-08
Priority:	Normal		**Due date:**	
Assignee:	Azamat Hackimov		**% Done:**	0%
Category:	Translations		**Estimated time:**	0.00 hour
Target version:	0.8			

Description

- Ran file through spell checker
- Editted translations that were too literally interpreted from the English version
- All lines are translated now
- The Dutch language has two versions of 'you' ('u' and 'jij/je'). These two were mixed. Translation now uses the polite 'u'
- Changes all instances of 'U' (you) to 'u' (capital is only used religiously)
- Should work at least til r1928

Associated revisions

Revision 1929 - 2008-10-11 13:32 - Azamat Hackimov

Patch #2005, nl.yml update

History

#1 - 2008-10-09 14:19 - Azamat Hackimov
