Description			
Hello, When i create a new issue, i want to select a project. In this link http://www.redmine.org/issues/12704 is described how to do that, but its old and not working. How can i do this ? Thanks..			

History

#1 - 2015-07-08 08:40 - Toshi MARUYAMA

- Status changed from New to Closed

Please do not create duplicate issue.
It is too hard to trace and manage issue.

#2 - 2015-07-09 11:18 - Mustafa Bahadır Pakalın

- Status changed from Closed to Reopened

The linked issue is created 1 year ago, and the fix and the patch file not working :/

#3 - 2015-07-09 13:31 - Toshi MARUYAMA

- Status changed from Reopened to Closed

- Resolution set to Invalid

Mustafa Bahadır Pakalın wrote:

The linked issue is created 1 year ago,

There are many open issues created more than 1 year ago.

You're not helping. Maybe u can say, how to fix my problem ?

#5 - 2015-07-09 14:02 - Toshi MARUYAMA

Please ask patch author at [#12704](#).
