

Redmine - Defect #20501

Empty divs when there are no custom fields on the issue form

2015-08-09 14:48 - Amol HATWAR

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:	3.2.0	Affected version:	3.1.0
Resolution:	Fixed		
Description			
<p>The DOM is getting polluted with unnecessary ``splitcontent`` divs for ``custom_field_values`` even when there are absolutely none defined. This limits theming splitcontent divs as it renders empty boxes...</p> <p>Patch to get rid of the free extra divs is attached.</p>			

Associated revisions

Revision 14512 - 2015-08-18 09:05 - Jean-Philippe Lang

Don't render empty divs when there are no custom fields on the issue form (#20501).

History

#1 - 2015-08-18 09:06 - Jean-Philippe Lang

- Subject changed from *DOM pollution in new issues form* to *Empty divs when there are no custom fields on the issue form*
- Status changed from *New* to *Closed*
- Assignee set to *Jean-Philippe Lang*
- Priority changed from *High* to *Normal*
- Target version set to *3.2.0*
- Resolution set to *Fixed*

Fixed in r14512 with a slightly different change, thanks for pointing this out.
