History

#1 - 2015-09-02 05:38 - Toshi MARUYAMA

- Status changed from New to Needs feedback

See [Submissions](#).

#2 - 2015-09-02 07:43 - 🔲 🔲 🔲

I'll probably see your document, I execute ruby script/zbout come when you least expect them to script/about no longer exists, please use bin/about instead.

#3 - 2015-09-02 08:06 - Toshi MARUYAMA

- Category deleted (Wiki)

- Priority changed from High to Normal

Why not run "bin/about"?

#4 - 2015-09-06 10:26 - Toshi MARUYAMA

- Has duplicate Defect #20683: redmine for svn problem added

#5 - 2015-09-06 10:27 - Toshi MARUYAMA

- Category set to SCM

#6 - 2015-09-06 11:10 - 🔲 🔲 🔲

This language because I didn't contact with ruby, so a lot of aspects are not very understand, occasionally see document said again need bin/about but I performed
Error is put forward as follows
The script/about no longer exists, both please use bin/home about
Thank you very much can you help me to solve

#7 - 2015-09-06 11:16 - Toshi MARUYAMA
